FEATURE

Ultimately modular, this corner sofa provides with authentic indulgent comfort. Extremely large cushions can be scattered as seat and back parts, rectangular lumbar cushions can be used to adapt to different sitting depths.

REVERSIBLE CUSHION

The cushions could be rotated upside-down and double sided to be used, of which the covers are also easier to be removed and washed.

FEATHER FILLER

Feather filling adds much softness and warmth to the sofa and makes it with sink-in comfort.

MODULARITY

Flexible modular seats and corner sections could be combined as per your preferences.
